I ask for your help in guiding the organization and in ensuring that it meets your needs and desires. Please give me or other members of the Board your suggestions about future directions and programs for the JWN and your reactions to our ideas and programs. We will do some long range planning this summer and we welcome your contributions to our plans.

I want to take this opportunity to express our appreciation to *Susan Slagle* for her dedicated and effective leadership of the Network over the past two years.
